

Hello, this is Adam and I'm a Native Speaker.

Let's practice prepositions. Prepositions tell you where things are located.

Here is the list of prepositions:

ON

IN

NEXT TO

BETWEEN

BEHIND

IN FRONT OF

ABOVE

BELOW

and

UNDER

Now, let's use them to describe where objects are located.

The coffee is on the table.

The money is in the bank.

The man is next to his car.

The referee is between the fighters.

The teacher is behind the desk.

The keys are in front of you!

The plane is above the ocean.

New Orleans is 10 feet below sea level.

I can swim under water!

I hope you enjoyed this lesson.
